

Curriculum Vitae

MARÍA-VICTORIA ZUNZUNEGUI

I. Datos personales

Nombre Zunzunegui, María-Victoria

Dirección personal c/ Nuestra Señora de La Paz, 2, 3 IZ, Madrid, 28007

Correo electrónico maria.victoria.zunzunegui@umontreal.ca **Sexo** Mujer

Fecha de nacimiento 1951/12/02

DNI 22611646R

Lugar de nacimiento Bogotá (Colombia)

Ciudadanía Española

Idiomas Francés, inglés y español

II. Formación

Formación

1985 PhD en epidemiología, Escuela de Salud Pública, Universidad de California en Berkeley. Homologación de Doctorado en Medicina y Cirugía en España.

1977 Master en bioestadística. Escuela de Salud Pública, Universidad de California en Berkeley

1973 Licenciatura en ciencias físicas. Universidad Complutense. Madrid.

Becas de formación :

1985-1986 Beca post-doctoral de la California Division American Cancer Society.

1981 - 1983 Cancer Training Grant. School of Public Health. University of California, Berkeley.

1976 Beca de estudios en el extranjero. Ministerio de salud España.

1973 - 1974 Fulbright Grant para estudios post-doctorales. University of California, Lawrence Radiation Laboratory.

Maria-Victoria 2

III. Carrera académica

2017- Profesora honoraria. Escuela Nacional de Sanidad en Madrid y Escuela de Salud Pública, Universidad de Montréal en Montréal.

2002/2016 Professeure titulaire, (Full professor). Département de médecine sociale et

préventive. Université de Montréal.

2005/01 – 2005/06 Sabático. Departamento de Salud Pública. Historia de la Medicina y Ginecología. Universidad Miguel Hernandez. Alicante. España.

1999/09 – 2002/05 Professeure agrégée (Associate Professor) Département de médecine sociale et préventive Université de Montréal.

1995 – 1999/08 Profesora de epidemiología. Escuela Andaluza de Salud Pública (EASP), Granada.

1990 – 1994 Coordinadora de epidemiología. Centro Universitario de Salud Pública. (CUSP), Universidad Autónoma de Madrid.

1989 – 1990 Profesora de epidemiología. Centro Universitario de Salud Pública. Universidad Autonoma de Madrid. Madrid.

1987 – 1988 Coordinadora de epidemiología. Escuela Andaluza de Salud Publica. Granada.

1984 – 1987 Estadística profesional. Laboratorio de Dr. Mary Claire, King, Programación estadística y analisis de datos genéticos. School of Public Health, Universidad de California en Berkeley.

Maria-Victoria 3

IV. Docencia

Carga docente en la Universidad de Montreal

Cursos académicos 2014-2016

MSO 6001 Curso de introducción a la epidemiología (3 créditos)

Curso básico en epidemiología para estudiantes de la Maestría de Salud Pública.

SPU7100 Seminario de doctorado en epidemiología (3 créditos)

Curso para los estudiantes de doctorado en epidemiología. .

MSO6500 Desafíos contemporáneos en salud mundial (3 créditos)

Curso dirigido a estudiantes de Maestría en salud pública, opción salud mundial

Cursos académicos 2008 - 2013

MSO6016 Métodos de estudios longitudinales (3 créditos)

Fundamentos del diseño, puesta en marcha y análisis en estudios poblacionales longitudinales.

SPU7003 Séminaire doctorat épidémiologique (3 créditos)

Curso para los estudiantes de doctorado en salud pública, opción epidemiología .

Curso académico 2007

SPU7010 Séminaire recherche épidémiologique (3 créditos)

Curso opcional para los estudiantes de doctorado en salud pública.

MSO 6011 Analyse épidémiologique (3 créditos)

Curso obligatorio para los estudiantes de Maestría en salud pública.

Cursos académicos 2000- 2005

MSO 6001 Introducción a la epidemiología (3 créditos)

Curso básico en epidemiología para estudiantes de la Maestría de Salud Pública.

MSO 6014 Métodos de investigación en epidemiología (3 créditos)

Curso de métodos en epidemiología a un nivel intermedio para estudiantes de Maestría y Doctorado..

Curso académico 2003, 2005 :

MSO 6005 Cours Épidémiologie sociale. (3 créditos)

Curso de Maestría y Doctorado para estudiantes que desean profundizar en conceptos y métodos en epidemiología social

Maria-Victoria 4

• Docencia en España:

Durante el periodo entre 1998 y 1999, impartí cursos para estudiantes de maestría de Salud Pública en la Escuela Andaluza de Salud Pública y en el Centro Universitario de Salud Pública similares a los anteriormente enunciados. Además enseñé cursos en gerontología centrándome en temas de epidemiología del envejecimiento.

Impartí un curso de introducción a los análisis multinivel en la Escuela Nacional de Sanidad, Instituto de Salud Carlos III, Enero 2010. Madrid (20 horas)

Trabajos dirigidos

1. Maeve Hautecoeur. Directora « Les barrières d'accès aux soins dans la population autochtone de Rabinal, Guatemala » 2005
2. Elsa Beaudry. Co-directora. « Les trajectoires de recherche de soins de la population autochtone à Rabinal, Guatemala. 2005
3. Jean Roy, Directora. “Les prostitués masculins et le VIH : Description des caractéristiques et des facteurs de risque d'infection au VIH chez les participants de la cohorte Oméga ayant eu des relations sexuelles en échange d'argent, de drogue ou de biens ou services » 2000
4. Marie-Josée Aubin, Directora. « La tuberculose oculaire. Étude rétrospective de 105 cas pour évaluer la démarche diagnostique et thérapeutique » 2001
5. Jérôme Latreille. Directora « Itinéraire thérapeutique des hommes vivant en milieu urbain face à la problématique des infections sexuellement transmissibles à Bamako, au Mali. ». 2002

Maria-Victoria 5

V. Investigación

A- Proyectos de investigación, becas y subvenciones principales

Proyectos de investigación subvencionados por organismos con evaluación por Comités de Pares.

Titulo: « Bien vieillir: Une étude internationale du vieillissement réussi et de ses déterminants »

Papel : Co-investigadora

Investigadora principal: Emmanuelle Bélanger

Fuente de financiación : Direction de relations internationales. Université de Montreal.

Gouvernement du Québec et gouvernement du Mexique.

Periodo : Février 2016-Février 2018

Importe : 12000 \$CAD

Titulo: CIHR mobility in Aging Team grant. Gender differences in mobility in aging. Papel : Investigadora principal. MV Zunzunegui

Fuente de financiación : Canadian Institutes for Health Research (CIHR)

Periodo : Octobre 2010-Mars 2017

Importe: 1,500,000 \$CAD

Titulo: IRSPUM Nouvelles initiatives. Active aging in Canada : A mixed method study Investigadoras principales : MV Zunzunegui, Emmanuelle Belanger, Katherine Frohlich

Fuente de financiación : IRSPUM

Periodo : Février 2014-Janvier 2015.

Importe : 16000 \$CAD

Titulo: IRSPUM Fonds de démarrage. Santé des populations immigrantes

Investigadoras principales: MV Zunzunegui, Bilkis Vissandjee, Alain Gagnon, Malek Batal, Barthelemy Kuate-Defo.

Fuente de financiación : IRSPUM

Periodo : Juillet 2014- Juin 2015.

Importe : 8000 \$CAD

Titulo: Inflammation, stress and telomeres in aging.

Investigadoras principales: Fahmi H, MV Zunzunegui

Fuente de financiación : CrCHUM

Periodo : 2013-2014

Importe: 100000 \$CAD

Titulo: Colloque Jacques Cartier. Les interrelations entre le vieillissement, le social et la santé

Investigadora principal: MV Zunzunegui

Maria-Victoria 6

Fuente de financiación: Réseau québécois de recherche sur le vieillissement et Direction des relations internationales de l'Université de Montréal.

Periodo : 3 et 4 Octobre, 2014, Université de Montréal

Importe: 14000 \$CAD

Titulo Évaluation des interventions individuelles, communautaires et sociétales pour promouvoir le vieillissement actif

Investigadoras principales: MV Zunzunegui & Johanne Filiatrault
Fuente de financiación: Direction des relations internationales de l'Université de Montréal
con Universidade Federale do Rio Grande do Norte y Universidade des Minas Gerais
(Brazil)
Importe : 20000\$ CAD
Periodo Diciembre 2013-Mayo 2014.

Titulo Establishment of populations for epidemiologic studies of mobility and physical function in early old age: What we can learn from gender and societal differences

Investigadora principal: MV Zunzunegui
Institut recherche santé publique Université de Montréal. IRSPUM;
Periodo : April 2012-Mars 2013
Importe :40100\$Can

Titulo: CIHR Research team on frailty and aging

Papel: Co-investigadora :
Investigador principal: François Béland
Fuente de financiación: Canadian Institutes for Health Research (CIHR)
Periodo : 2007-2011
Importe : 3,700,000

Title: The Burden of Vision Loss in the World

Papel: Co-investigadora
Investigador principal: Ellen Freeman
Fuente de financiación: FRSQ
Amount:222127\$
Period: July 2010- June 2013

Development grant: Gender differences in Mobility: What we can learn about improving mobility in old age. In the Alliances in Mobility in Aging Initiative of the Institute of Aging.

Papel: Investigadora principal.
Fuente de financiación: Canadian Institutes for Health Research (CIHR)
Importe: 24300\$

Periodo: Enero-Junio 2010.

Maria-Victoria 7

Stress biomarkers, function and frailty in three elderly populations : a pilot study in Brazil, Cameroon and Canada

Papel: Investigadora principal
Periodo: 2009-2010
Fuente de financiación : Canadian Institutes for Health Research (CIHR)
Importe: 80,500\$CAD

Workshop to establish and international research team on sex/gender differences in mobility

Papel: Investigadora principal

Periodo : 2009-2010

Fuente de financiación : Canadian Institutes for Health Research (CIHR) Importe : 13300 \$CAD

Aging in the Caribbean.

Papel: Investigadora principal

Fuente de financiación : Banque Interamericaine de developpement.

Importe : 113000 \$CAD

Titulo: Longitudinal analysis of the Quebec birth cohort: pathways between early childhood poverty, stress, child health, cardiovascular risk factors and associated secular trends, and resiliency

Papel: Co-investigadora

Investigadora principal: Louise Séguin

Fuente de financiación: Canadian Institutes for Health Research (CIHR)

Periodo : 2007-2010

Importe : 1,380,000 \$CAD

Titulo: Programme de recherche sur les épisodes de detresse psychologique severe et sur les facteurs associés à l'utilisation des services de santé et à laconsommation de médicaments psychotropes dans la population vieillissante.

Papel: Co-investigadora

Investigador principal: Michel Preville

Fuente de financiación: FRSQ.

Periodo: 2006-2008

Importe: 450000 \$CAD

Titulo: Building capacity to reinforce adherence to antiretroviral treatment and sexual prevention in patients from resource limited settings.

Papel: Co-investigadora

Investigador principal: Vinh-Kim Nguyen

Fuente de financiación: Canadian Institutes for Health Research (CIHR)

Importe : 450000 \$CAD

Maria-Victoria 8

Periodo : 2007-2009

Titulo: Health differences in later life: A study of gender and social exclusion as determinants of health and functioning in urban elderly population of Latin America

Investigadora principal

Fuente de financiación : Canadian Institutes for Health Research (CIHR)

Importe : 118000 \$CAD

Periodo: 2005-2006

Influencia de las características del área de residencia en la salud mental de la población inmigrante

Papel: Co-investigadora

Investigadora principal: Julia del Amo

Fuente de financiación: Fondo de investigaciones sanitarias. Madrid.

Periodo: 2005-2007

Importe: 74000 Euros

Título: Papel de la atención primaria en la prevención de la fragilidad y la discapacidad entre las personas mayores de 80 años

Papel: Co-investigadora

Investigador principal: A Otero

Fuente de financiación: Fondo Investigaciones Sanitarias

Periodo: 2006-2008.

Importe: 70000 Euros

Título: Complementary and Alternative Health Care in Children with Arthritis and Physical Disabilities

Investigadora principal : Deborah Feldman

Papel: Co-investigadora.

Fuente de financiación: Sick Kids Foundation

Periodo: 2005-2006

Título: Pauvreté, santé et développement des enfants

Investigadora principal: Louise Séguin

Papel: Co-investigadora.

Fuente de financiación : Canadian Institutes for Health Research (CIHR)

Periodo: 2001-2003

Importe 70000 \$CAD

Équité d'accès et immunisation en Afrique de l'Ouest.

Investigador principal: Slim Haddad.

Papel: Co-investigadora

Maria-Victoria 9

Fuente de financiación : Canadian Institutes for Health Research (CIHR)

Periodo: 2005-2006

Centre d'études et d'interventions sur les inégalités sociales de santé de

Montréal Investigadoras principales : Louise Potvin, Marie-France Raynault

Papel: Co-investigadora

Fuente de financiación : Canadian Institutes for Health Research

(CIHR) Periodo:2005-2008

Material and Social inequalities in the Montreal Metropolitan Area : Association

with Physical and Mental Health Outcomes.

Investigadora principal.

Fuente de financiación : Canadian Institutes for Health Research (CIHR)

Periodo:2001-2002

Importe 74000 \$CAD

« Développement d'une base de données pour la recherche transculturelle en vieillissement».

Investigadora principal.

Fuente de financiación: Fondation canadienne pour l'Innovation

Importe : 41000\$CAD

Proyectos de investigaciones financiados por organismos sin comites de pares.

- « Étude sur les personnes âgées en Argentine, Chili et Uruguay ». Banque Interaméricaine de Développement, 1998-1999. 200000 par année \$CAN.
- Programme expérimental de prescription de stupéfiants, Commission andalouse sur la drogue, 1998, 200,000\$CAN.
- Facteurs de risque des mauvais traitements aux enfants, Ministère des Affaires Sociales, 1993, 60,000\$CAN.
